International Community School Investment Club

1225 The Parkland Road, Bang Na, Bangkok, Thailand 10260

Date: August 25, 2026

Re: NOTICE OF ORGANIZATIONAL RESTRUCTURING

This document serves as formal notification of structural and operational changes within the International Community School (ICS) Investment Club. The following restructuring initiatives are authorized and implemented as detailed below.

1. Departmental Consolidation: Education and Philanthropy

The Philanthropy Department and the Education Department shall be merged into a single, consolidated operating unit known as the **Education Department**. Effective immediately, this newly unified department shall be directed and overseen by Sajjatorn Kongsiriphisan in the capacity of Executive Vice President (EVP), Education.

2. Restructuring and Joint Ownership of "InvestTalks"

The ICS Investment Club shall formally spin off the "InvestTalks" initiative. InvestTalks will no longer operate as a solely held asset of the Club. Under the new operational structure, ownership and administrative responsibilities shall be held jointly in a 50/50 partnership between the ICS Investment Club and THIC Thailand. The strategic intent of this divestiture and joint venture is to ensure the operational continuity of InvestTalks and to expand its reach and opportunities beyond the ICS school premises.

Effective Date All structural, departmental, and asset-allocation changes outlined in this notice are effective immediately upon the issuance of this document.

By order of the Executive Board,

Techid Tongviseskul

Chairman of Executive Committee
