Experience

Quadriga Private Equity

Summer Analyst Intern (Paid)

Bangkok, Thailand

June 2025 – July 2025

- Supported client and internal mandates through financial, market, and regulatory research
- Led a team of 3 interns to develop an international expansion strategy for an M&A client across six priority markets
- Screened 300+ companies and shortlisted 30 for deeper commercial and financial due diligence
- Conducted regulatory analysis on e-payment licensing requirements for an international client
- Evaluated eligibility and drafted briefing materials to support the firm's engagement with new government programs

Watson Farley and Williams

Corporate and M&A Intern

Bangkok, Thailand

June 2025 – June 2025

- Conducted legal research on regulatory and transactional frameworks for a buy-side energy transaction
- Assisted with legal research for a pro bono digital identity initiative, focusing on governance and compliance considerations
- Supported legal education initiatives by assisting with instruction and preparing materials for a client-facing event with a leading media firm
- Gained hands-on exposure to strategic legal frameworks used in cross-sector transactions during the selective two-week program

Innobic (Asia) Co., Ltd.

Research Analyst Work Experience

Bangkok, Thailand

June 2024 – July 2024

- Conducted end-to-end research under the Technology Team Head on Thailand's diabetes crisis, evaluating root causes and proposing scalable lifestyle-based intervention frameworks
- Supported strategic evaluation through exposure to internal meetings, deal-room discussions, and applied probiotic research initiatives
- Gained hands-on exposure to R&D and manufacturing processes through visits to bacterial fermentation laboratories and plant-based production facilities
- Developed a strong interest in strategy and capital allocation through close collaboration with the strategy team

Leadership & Activities

Thailand High School Investment Challenge (THIC)

Bangkok, Thailand

Founder and Executive Director

December 2025 – Present

- Founded Thailand's first national high school stock pitch competition to expand access to equity research and capital markets education for secondary school students
- Attracted 112 teams and 466 individual applicants from 15 provinces across 3 countries for the inaugural 2026 cohort, admitting the top 35.7% through a competitive multi-stage screening process
- Secured USD 2,000+ in prize sponsorship and strategic partnerships with Kasikorn Asset Management, Kiatnakin Phatra Financial Group, KKP Dime, and CFA Society Thailand; negotiated 40 Bloomberg Anywhere terminals from Bloomberg Thailand and case access with a SET50-listed partner firm
- Designed data collection and analysis workflows to produce partner-facing performance reports and drive iterative improvements across competition design and operations
- Oversee end-to-end execution spanning strategy, operations, judge and mentor recruitment, sponsor relations, and stakeholder management across a multi-functional organizing committee

ICS Investment Club (ICSIC) | icsinvestmentclub.com

Bangkok, Thailand

Founder and President

August 2024 – Present

- Founded and scaled the school's largest student-led organization to 85+ active members within two years
- Launched InvestTalks, a speaker series connecting high schoolers with industry leaders, featuring professionals across business, capital markets, policy, and media; secured speakers and site visits through direct outreach
- Established a recurring monthly financial literacy program delivering workshops to 800+ rural students across Central Thailand
- Raised USD 3,000+ to fund free educational programming and scholarships, plus USD 1,500+ of donated goods for partner foundations
- Built organizational structure and delegated leadership across year groups to ensure long-term continuity
- Designed and managed the club's website, communications, and external engagement platform

ICS Learn-to-Swim Program

Bangkok, Thailand

Paid Instructor

August 2025 – March 2026

- Taught foundational swimming techniques and water safety to 10 elementary students in group sessions
- Delivered tailored one-on-one private lessons, providing technical feedback to improve stroke efficiency
- Assisted lead instructors weekly with student supervision and program execution, drawing on national-level competitive experience to mentor younger swimmers

Bangkok Swim Academy

Bangkok, Thailand

Athlete

January 2021 – Present

- Trained 9 sessions per week (20 hours), balancing national-level athletics with leadership and academic course load
- Competed at national and international championships as Bangkok-state and Thailand representatives
